

March 11, 2010

Dear Chapter President:

Once again PSE is reaching out to our chapters, asking you to Step Up for your fellow union brothers and sisters whose chapters do not receive enough money in rebates to send delegates to convention. PSE would like to give as many chapters as possible the opportunity to send delegates to the 2010 Convention from July 23-25, in Yakima, WA, through our "Sponsorship" program. Thanks to those of you that have donated in the past.

Can YOUR chapter help?

If so, please fill out the form on the other side of this letter and send in with your check. You may also donate online! When you register for convention this year, you will be automatically asked if you would like to donate in order to send fellow union brothers and sisters to convention. The cost to fully sponsor one delegate (includes registration and two nights stay) is about \$400.00, though donations in any amount are greatly appreciated!

We all know how important and how much fun convention is, and this year we want every chapter to be able to celebrate with us!

Thank you in advance for your help!
