Your TRUE COLORS Come Shining Through

Be prepared to jump off the rim of life and experience the kid inside you. Utilizing the “True Colors” personality quiz, find out more about yourself and your co-workers. The quiz reveals personality characteristics that help you deal better with situations or with other people.

Through skits, music, humor, audience participation, props and technology, Randy Dorn delivers a motivational performance that could possibly change your life just a bit. He combines education, entertainment and training to make learning and life fun and exciting.

Presented in an interactive format, the experience is fun and enjoyable. In a short time, you will take away unique insights that can last for a lifetime.
